Sanjeevi N A

Frontend Web & Mobile Application Developer

Erode, India · sanjeevikavin@gmail.com · +91 6379604196 · linkedin.com/in/sanjeevi-n-a-0758ba235

SUMMARY

Building clean mobile and web apps with Flutter, iOS, and modern web tools. Using AI prompting to learn fast and deliver reliable code.

EXPERIENCE

Junior Team Member Nov 2025 – Feb 2026
U2 Breakthrough Technologies, Coimbatore

- Worked on updating and implementing new features for UI/UX and API integration in Jamindhar, a product-based property management app.

Junior Application Developer Intern Jul 2025 – Oct 2025
U2 Breakthrough Technologies, Coimbatore

- Enhanced and handled the Android and web versions of Jamindhar.

Flutter iOS App Developer Nov 2024 – Apr 2025
Blackstone Infomatics, Coimbatore

- Worked on iOS integration for Click App, a real-time car booking application.

Intern Product Engineer Jan 2023 – Feb 2023
Codingmart Technologies, Coimbatore

- Gained proficiency in time management and efficiency.
- Applied JavaScript to data structures and algorithms.

PROJECTS

Jamindhar
U2 Breakthrough Technologies · Jul 2025 – Feb 2026

A property management app that helps managers track occupancy, rent collection and maintenance. The web app has employee and owner logins, plus a separate admin login web app.

Flutter, Dart, Next.js, React, React Bootstrap, TypeScript, JavaScript

Click App
Blackstone Infomatics · Nov 2024 – Apr 2025

A real-time car booking application. I handled the iOS integration with a user-friendly design.

Flutter, iOS

SKILLS

Languages: HTML, CSS, JavaScript, TypeScript, Dart, Swift, Java

Frameworks: Next.js, React, React Bootstrap, Tailwind CSS, Flutter, UIKit, MVC, MVVM

Backend: Firebase (BaaS), SQL

Tools: VS Code, Xcode, Android Studio, SoapUI, GitHub

AI Tools: Claude, Perplexity, Grok, Gemini, ChatGPT, Z Ai, Cursor

AI PROMPT ENGINEERING

For the past year I have worked daily with multiple AI platforms, choosing the right one for each job instead of relying on a single tool. Tools: Claude, Perplexity, Grok, Gemini, ChatGPT, Cursor.

EDUCATION

B.E. Computer Science and Engineering, K.S.R. College of Engineering, 2019 – 2023
